

How do I view Settings in the Canvas Parent App on my iOS device?

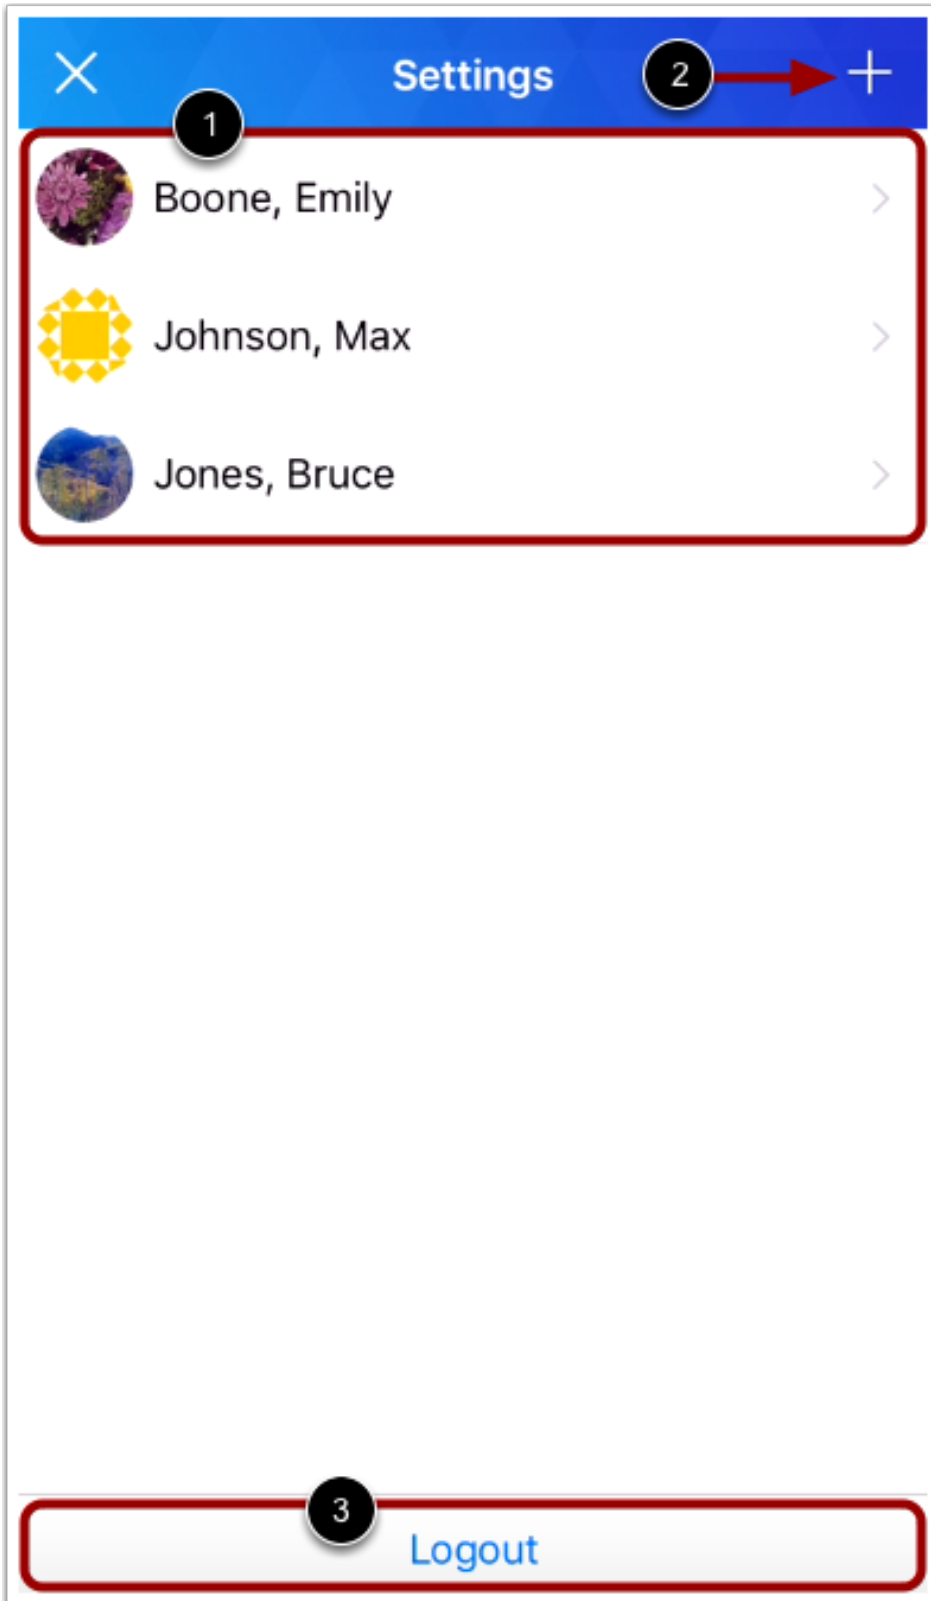

The Settings page allows you to view students, add student alerts, add students, and log out.

Open Settings

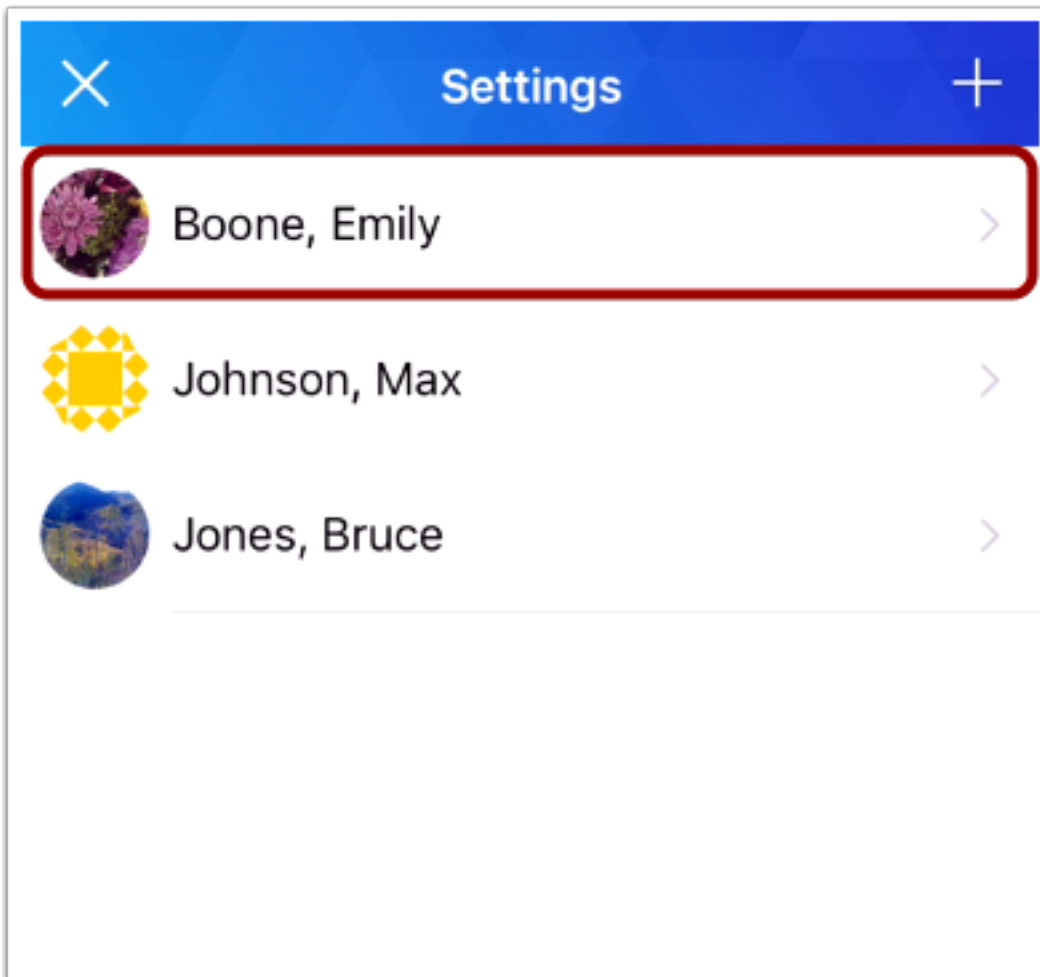

In the Dashboard, tap the **Settings** icon.

View Settings

In the Settings page, you can view the students you have added to your account [1], [add students](#) [2], and [log out](#) of the Canvas Parent app [3].

Open Student

To manage a student, tap a student's name.
