

# How do I view settings in the Canvas Parent App on my Android device?

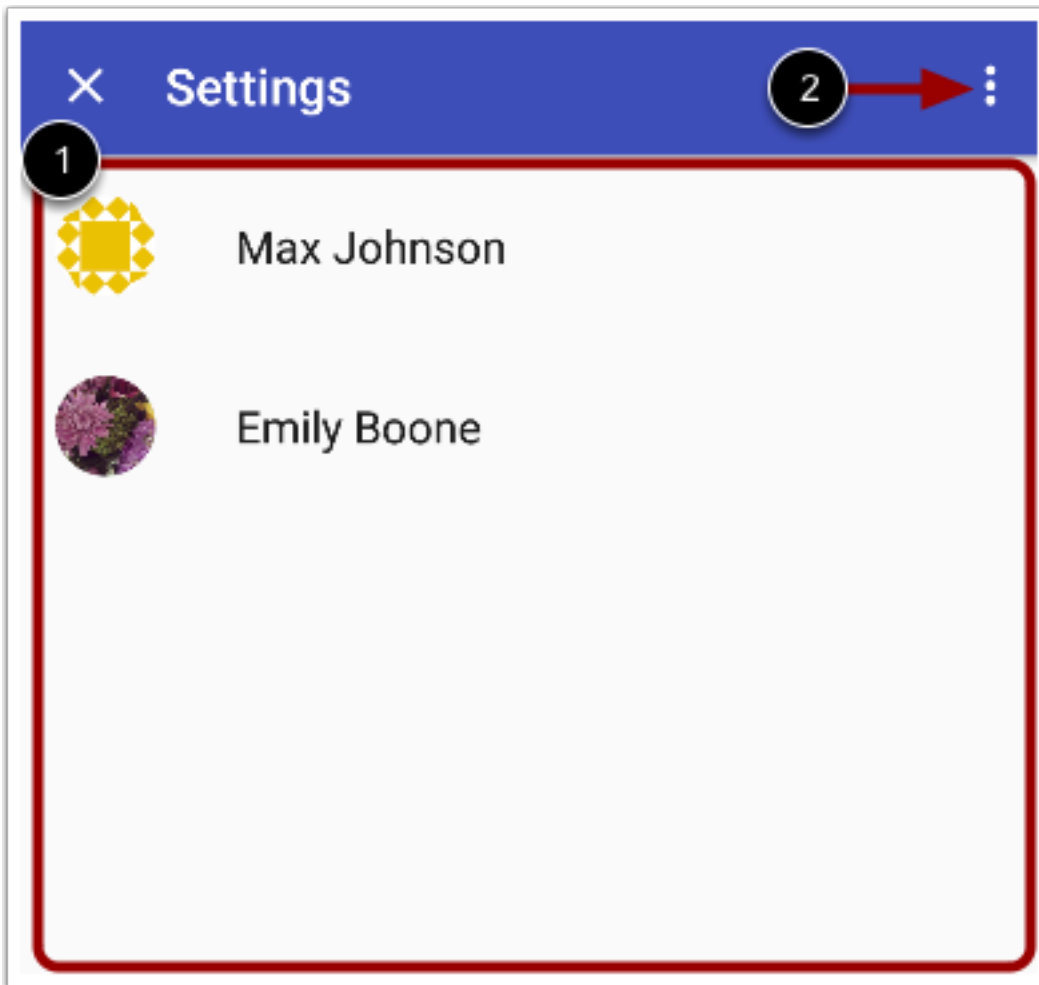

The Settings page allows you to view students, add student alerts, add students, access help, and log out.

## Open Settings

In the Dashboard, tap the **Settings** icon.

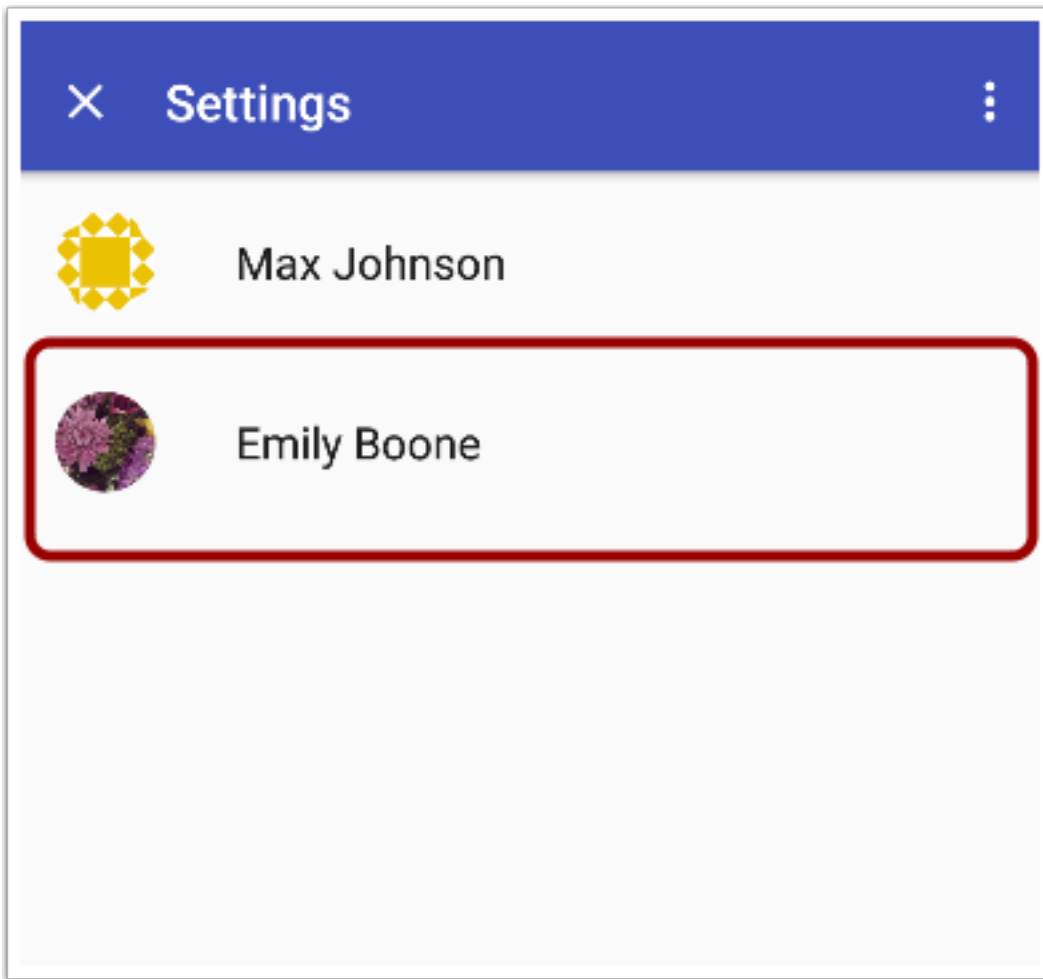

## View Settings

In the Settings page, you can view the students you have added to your account [1].

In the overflow menu [2], you can [add students](#), view your email address and help options, and [log out](#) of the Canvas Parent app.

## Open Student

To manage a student, tap a student's name.
