

# Hinton Community School Summer 2017 Driver Education

Registration Requirements / Due Date: May 1, 2017

Hinton Community Schools will offer Driver's Education classes to students that attend Hinton High School or Hinton Middle School, or students who attend other schools but reside in our school district. We do not accept students from outside our school district.

Hinton Community School will be offering Summer Driver Education this summer in the months of June and July. The class consists of thirty (30) classroom hours and six (6) hours of behind the wheel instruction for each student. These hours are state guidelines, and must be met in their entirety to complete the course. Craig Hoffman will be the lead instructor this year, with Diane Fay and Ryan Gillaspie assisting with the driving hours.

The classroom instruction will be held at the school from 8:00 - 11:00 A.M. for ten (10) days starting May 30th 2017. There will be two (2) makeup days offered for those who miss a class. The driving instruction will be in two (2) hour shifts with two (2) students in a group. Some three (3) hour sessions with three(3) students in a group may be assigned if needed. Each student will be required to drive six (6) times. Our goal is to have everyone done with the classroom instruction by June 14th and the driving by July 14<sup>th</sup>. Certificates of completion will be issued sometime after July 14<sup>th</sup>. Enrollment will be limited to fifty-four (54) students, on an age priority basis.

We will be having a student meeting at 8:10 in the school library on May 16th to assign drive partners and drive dates. This will give everyone ample opportunity to resolve any conflicts with work, practices etc. that may arise after drive times are assigned. (It may be beneficial to try and find a partner before our meeting that may have a similar schedule to yours.) Instructors will do their best to avoid conflicts but it will ultimately be the student's responsibility to resolve any drive time conflicts.

Requirements of the class:
