

If you are a parent, grandparent, former Blackhawk or community-minded person, we don't need to tell you the important role that fitness plays in the lives of our children and community. The school is the center of the community and the Hinton Community Wellness Center will offer a convenient and affordable fitness facility where adults, seniors and teenagers work comfortably side-by-side. The Center will create fitness and recreational opportunities to enhance the quality of life for students and community members. Additionally, the facilities will allow the students participating in sports to obtain proper training for their safety and to give them a competitive edge.

THAT IS WHAT THE HINTON COMMUNITY WELLNESS CENTER IS ALL ABOUT, BUT WE NEED YOUR HELP. IT'S TIME TO OUTFIT THIS TOP-NOTCH FACILITY.

We invite you to invest in the future of our children and the community.
Our fundraising goal is \$200,000.
