Hinton Yearbook Staff

315 W. Grand Street

Hinton, IA 51024

10 September 2014

Dear Seniors & Parents:

The 2014-2015 Yearbook staff is up and running, preparing for this year's yearbook. If you haven't already taken senior pictures or scheduled them, please do so soon. The senior pages in the yearbook take a long time to design; the sooner we have your senior picture the easier it is on the Yearbook staff.

We would like to inform you that the Yearbook staff needs to have all digital senior pictures submitted to the staff by January 31, 2015. You must provide a digital version of your senior picture through email, a flash drive, or CD (please don't provide a hard copy for placement in yearbook). See the email address below to submit through email. In an effort to maximize space for the senior pages, please only select a picture that is vertical (taller than it is wide) in orientation. **Also, don't forget about providing a baby picture and a wallet size senior photo** – the senior photos will be placed in the front lobby display board for this year's senior class.

Additionally, it's never too early to begin thinking about a Senior Recognition Ad for your graduating son or daughter to express your pride in them. We have decided to offer two options for senior recognition ads. Here are the rates:

1/2 Page Ad: \$150

1/4 Page Ad: \$85

Keep an eye out for an order form for the Senior Recognition Ad. If you have any questions about the ads, senior pictures, or about the yearbook, please feel free to email or call me. Have a great year!

Phone: 712-947-4328
